Bishwash Pokharel

Frontend Developer

Bharatpur, Nepal

Summary

Highly skilled and dedicated Frontend Developer with a strong command of modern web technologies. I specialize in building responsive, user-friendly, and performant websites using HTML, CSS, JavaScript, Tailwind CSS, Vue.js, and React. I'm passionate about clean code and delivering exceptional user experiences.

Experience

Devsign Technologies

Project Intern

November 2024 - May 2025 (7 months)

Hakimchowk, Narayangadh, Chitwan, Nepal

Worked as a front-end developer in two of the projects during my internship. An E-Commerce website and a simple Customer Relation Management (CRM) website.

Education

Pokhara University

Postgraduate Degree, Bachelor in Computer Application · (March 2021 - August 2025)
