PROFILE

An enthusiastic and quick learner eager to embark on a career in front-end development. I am passionate about web development and possess strong skills in problem-solving, project management, communication, etc. I am seeking for a project or a team where I can leverage my abilities to contribute to a dynamic team and achieve impactful results.

WORK EXPERIENCE

Saubhagya Marketing
2019, Aug - 2024, Sep

Computer Operator

I worked at Saubhagya Marketing, which is a distributor for Nestle products (mainly) and other products as well, as a computer operator. My job was to keep track of all the transactions of the organization, provide reports related to the goods and sales report of the goods to the sales personnel, handle two software where all the transactions were recorded. I also handled the yearly fiscal activities related to VAT as well.

Devsign Technologies Pvt. Ltd.
2024, Nov - 2025, May

Intern as a Front-end Developer

I joined Devsign Technologies as a front-end intern where I got to work on various projects like "E-Commerce", "Customer Relation Management" , "Todo List" and many small projects. It was a big part in developing my skills. The mentor at Devsign Technologies (Arjun Kandel sir) played a big part in my intern by helping and encouraging me in various projects.
